After Typhoid Fever

A Running Abscess Discharges Pieces of Bone.

All Hope Civen Up - But Hood's Sarsaparilla Cives Perfect Health.

C. I. Hood & Co., Lowell, Mass. "Dear Sirs: - I had been a sufferer for nearly three years and had doctored during that time, but without avail. I had given up all hope of ever recovering my health. At times I would rather have died than lived, but now I am thankful that I began taking Hood's Sarsapa rilla for I am now as sound as a dollar. I was Afflicted With Typhoid Fever,

and an abscess formed on my right side above the fourth rib. The strange part about this was the fact that it did not open for six months after It appeared, although it pained me continually, After it broke it became a running sore and 1 was compelled to wear a bandage all the time. The doctors told me that the only way it could be cured was to have an operation performed

HOOD'S Sarsaparilla

bone disease, inasmuch as four pieces of bone had been discharged from the sore. Before giving myself up to the doctors I decided to give Hood's Sarsaparilla a trial, although I had but little faith that it would do me any good. I used it strictly according to directions, and be-fore I had used three bottles I Began to Feel a Change,

three months since the eruption closed and I have not the least fear of it ever bothering me again. Hood's Sarsaparilla is certainly a gem among medicines. It has cured me and it will cure others." W. H. HEFFNER, Alvira, Pa. Hood's Pills cure liver lits, constipution

and by the time I had used the fourth bottle the

sore on my side had healed. It is now nearly
